

Proposed Fee Rule - **IDAPA 08.02.03.128**, Curricular Materials Selection and Online Course Providers

During the 2013 Legislative Session, the Idaho Legislature re-established an online course portal under Senate Bill 1091 (Section 33-1024, Idaho Code) that will display courses and customer ratings from students and parents. Additionally, parents will be able to enroll their students in online courses with the home school district and communicate with the home school district through the portal.

Section 33-118, Idaho Code authorizes the Board by rule to determine the process by which the Department reviews and approves online courses, pursuant to Section 33-1024, Idaho Code. This rule outlines that process. Idaho certified classroom teachers will review the online course providers and courses under the direction of the State Department of Education. The providers will be approved for a period of four years. In order to cover the cost of review, the State Department of Education will charge providers a submission fee based on the number of courses offered, not to exceed the actual cost of review.
